

TAPS is ...

A friendly and informal group of parent carers. We meet to chat about all issues regarding our children with autism and their associated needs.

About us ...

TAPS was initially set up by two parent carers of children with autism and was known as Rushcliffe Autism Support Group (RASG). It provided an evening meeting to parent carers.

We provide...

-  Free monthly evening meetings, usually the first Monday of the month for working parent carers with autistic children
-  Safe supportive place to share your experiences
-  Signposting to support & resources.

"It was a very helpful meeting and it was great to have someone there with experience"

"Most meetings are during the working day and I can't get to them, thank you!"
