

Family Inclusive Play

About us...

Rainbow Parents Carers Forum is a support group and independent voice for families with children and young people with special educational needs and/or disabilities (SEND) in Nottingham and surrounding areas.

FIP is...

A supported stay and play session for 5 -12 years olds with SEND. A selection of toys, games, arts & crafts and a sensory room is available at each session. Siblings are welcome and parents can access support and signposting.

We provide...

-  Free monthly sessions, usually twice per month
-  A safe play opportunity for families
-  Help on hand with play, signposting and peer support.

"Both my children love the variety of play and sensory toys that are on offer, in a space that my sons feel they can truly be themselves and enjoy their time."

"We have finally found a space we feel we fit in and friendly faces to chat to whilst navigating this at times very difficult journey."
